Nevermind Bar has spaces available for groups of 30 through to large groups of up to 160 people.

The Nevermind Private Rooftop Bar is our most popular space. The Rooftop caters privately for between 50 and 120 people. The Rooftop space consists of an all weather heated rooftop deck and internal bar area, with private bar service available.

The Rooftop is available for private evening events guaranteed until at least midnight, with Nevermind's main bar licensed until 3am.

Stand-alone audio system with microphone for speeches and a 60" flat screen ensure the private Rooftop is an ideal space for any event.

Groups of between 20 and 60 are able to book Nevermind's Red Room fully equipped performance space with no minimum spend stipulations or room hire fees.

The luxe Red Room has a stage with professional PA & lighting setup, a large screen for presentations and bar stool seating .

Nevermind's catering and tailored drink tabs are available for your Red Room or Rooftop party.

## FAQ's:

**Is there a room hire fee or minimum spend?**

**There is no room hire fee, nor any minimum spend for any function save Saturday night Rooftop shindigs, when we do ask that a \$2,000 pre-paid spend is met over any combination of catering and bar tab.**

**What drinks do you have available?**

**Lots!! Our drinks list is pretty fluid (Ha!!) with regularly changing drink specials, tap beers, spirits, cocktails and wines. Drinks selections online are indicative, if you're keen to know exactly what we'll have on the go the best idea is to pop in!**

**Can I organise a bar tab?**

**Definitely. All we ask is a dollar value to which you're comfortable running the tab, plus the "groups" of drinks you'd like available, eg: Tap Beers, Ciders & Seltzers, Bottled Beers, House Wines & Champagne, Basic Spirits, Back Bar Spirits and Cocktails, which are all charged to the tab at bar prices on consumption. If you can't be bothered with all the options, we're happy to run a tab with an Open Bar!**

**Are drinks packages available?**

**We don't offer per-head all you can drink packages, with bar tabs available as above.**

**Can I bring a cake?**

**Sure!! In saying that, we're not really set up for cake service, so we do ask that disposable plates and cutlery are bought along. We find cupcake arrangements are pretty popular and work well at Nevermind.**

**Can I bring my own DJ or Band?**

**Indeed!! Fine print does read that Rooftop DJ's must be set up in the internal section of the space, and all the usual sound compliance rules apply - nothing any DJ or band worth their salt won't be aware of.**

**Can I decorate?**

**Yup. Go for it, knock yourself out! Use blu-tac, pins, whatever.**

**Can I tentatively book?**

**Due to the popularity of the spaces, all bookings are available online on a first in, best dressed scenario.**

**Do I need Security?**

**We have our friendly in-house security here at Nevermind just about every night, so generally Security are already hanging about and available to make sure all is well with your event.**

**Can under age guests come along with an adult?**

**Nevermind provides a vibrant atmosphere, which in the context of an evening event (6pm or later) does not permit under age guests to attend under our Liquor License conditions. Minors are permitted to attend Nevermind prior to 6pm, when accompanied by a parent/legal guardian, for the purpose of a meal.**
